## **NH DHHS COVID-19 Update November 4, 2021**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Thursday, November 4, 2021, DHHS announced 635 new positive test results for COVID-19 for Wednesday, November 3. Today's results include 437 people who tested positive by PCR test and 198 who tested positive by antigen test. DHHS also announced an additional 80 new cases from Monday, November 1 (58 by PCR and 22 by antigen test) for a new total of 448; and an additional 46 new cases from Tuesday, November 2 (26 by PCR and 20 by antigen test) for a new total of 574. Test results for previous days are still being processed and updated case counts for prior days will be reflected on the [COVID-19 interactive dashboard](#). There are now 4,561 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are two hundred and thirteen individuals under the age of 18 and the rest are adults with 54% being female and 46% being male. The new cases reside in Rockingham (149), Hillsborough County other than Manchester and Nashua (91), Merrimack (87), Grafton (70), Strafford (58), Belknap (49), Sullivan (43), Cheshire (32), Coos (23), and Carroll (19) counties, and in the cities of Manchester (64) and Nashua (32). The county of residence is being determined for forty-four new cases.

DHHS has also announced eleven additional deaths related to COVID-19. We offer our sympathies to the family and friends.

- 1 male resident of Belknap County, 60 years of age and older
- 1 male resident of Carroll County, 60 years of age and older
- 1 male resident of Coos County, 60 years of age and older
- 1 female resident of Hillsborough County, 60 years of age and older
- 1 male resident of Hillsborough County, fewer than 60 years of age
- 1 male resident of Merrimack County, 60 years of age and older
- 4 male residents of Rockingham County, 60 years of age and older
- 1 male resident of Strafford County, fewer than 60 years of age

There are currently 194 individuals hospitalized with COVID-19. In New Hampshire, since the start of the pandemic, there have been a total of 138,511 cases of COVID-19 diagnosed.
